

Rebuttal to Argument Against Proposition 61

We've never heard of this attorney who opposes
Proposition 61. Have you?

He says that Proposition 61 will hurt California's future.
He's wrong.

PROPOSITION 61 WILL GIVE THOUSANDS AND
THOUSANDS OF SICK KIDS A CHANCE TO HAVE A FUTURE--
beat their illnesses and live long and happy lives.

Many mothers of critically ill children worked hard to collect
the signatures to put the Children's Hospital Bond on your ballot
because California's Children's Hospitals save lives every single
day!

Children with leukemia, cancer, sickle cell anemia, cystic
fibrosis and heart disease. Children who are severely injured in
car wrecks and house fires.

Thanks to the miraculous work, the finest pediatric research and the loving care kids get at California's Children's Hospitals survival rates are improving dramatically.

Today, 80% of children with leukemia are making it and 90% survive delicate heart surgery.

This attorney tries to make a joke out of Proposition 61 by calling it a "motherhood issue."

It is a "motherhood issue." And AS MOTHERS AND

FATHERS OF VERY SICK KIDS WE ARE FIGHTING FOR THEIR LIVES.

Please vote YES on Proposition 61, the Children's Hospital Bond.
